### Information about additional equipment and branding of the stands:

Exhibitors can equip their stand with their own accessories. For exhibitors who are interested for the service of renting additional equipment, the organizer will provide them with additional information.

Exhibitors can brand their stands themselves, in which case they need to place the materials themselves, and after the end of the fair, they must remove the branding materials. If the exhibitors do not remove the materials that they posted themselves, the contractor will charge the exhibitor for their removal.

For exhibitors who are interested for the stand branding service, the organizer will provide them with additional information.

### Information about the graphic preparation of the company name at the stand:

The exhibitor will subsequently receive a information about the required dimensions of the graphic preparation of the company name on the stand.

If the exhibitor does not submit a graphic preparation for the name of the company on the stand, the organizer will print the name given in this participation form.

The exhibitor can submit only the logo, and the organizer will print the logo with the company name given in this participation form.
